Republicans Claim the State but the Demo crats Concede Nothing. CHARLESTON, W. Va., Nov. 6 .- Republicans at midnight claim to have secured the election of Dovernor, republican, in the First district; Dayton, republican, in the Second district, and Huling, republican, in the Third district, by a close majority, Hon. W. E. Chilton, chairman of the democratic state committee, says he concedes nothing, that while the result will be very close in all districts except the Fourth, there is no reason to think the republicans are elected. He says the result is in doubt and that nothing can be known tonight. It is impossible to forecast the legislature with certainty, but demo-crats claim it beyond a doubt.

State Safely Republican and the Legislature Likewise.

CHICAGO, Nov. 6 .- Never in the history of Cook county were election returns so slow or so difficult to obtain as today. The county ticket was very long and the vote on county commissioners was complicated, making the count exceedingly slow. Not until 10 p. m. did the returns begin to come in. The republicans at midnight were claiming the ounty by anywhere from 15,000 to 30,000. The democrats conceded that the state ticket was beaten in Cook county, but claimed that the late returns would prove that they had carried all the county offices. Chairman Tanner of the republican state central committee claimed the county by at least 15,000 and the state by 75,000. The vote on congressman and members of the state legislature was so slow and scattering as to forbid any accurate estimate as to the result.

The first edition of the Herald concedes

COLUMBUS, Nov. 6 .- Ohio has broken he record for republican pluralities. The largest plurality heretofore was when John Brough, republican, for governor, in 1863, had 101,000 over Clement L. On the basis of the state vote the republi-cans claim seventeen of the twenty-one congressmen, the present Ohio delegation in congress consisting of eleven democrats and ten republicans Since midnight the democrats closed their

The crowd at the republican headquarters proceeded to the state house, where Governor McKinley, Congressman-Elect Watson and state officers were receiving returns. Chairman Dick read his latest dispatches in dicating a republican plurality of 123 200 cm. dicating a republican plurality of 130,000 to 140,000, and nineteen out of the twenty-one congressmen. Governor McKinley said he could make no statement for the Associated press that would interpret the result as plainly as the returns. Harris on joint ballot of the members of the legisover P. J. Sorg in the Third district; of Davis over Layton in the Fourth; of S. R. Harris over Young in the Thirteenth, and of McClure over Ruchards in the Seventeenth.

This would give them a solid delegation. COLUMBUS, Nov. 6.—To an Associated press reporter who visited the state demo umittee rooms at 10:30 Mr. Thurnan said: [Ohio will give the republicans 20,000 and twenty-one congressmen."
Only Thurman and Secretary Taylor were present. The election of Watson in the Twelfth district is conceded.

Light Vote and Republican Gains, but Not

Enough to Defeat Turney. NASHVILLE, Tenn., Nov. 6 .- Partial returns from fifteen counties show a decidedly diminished vote, with republican gains though not sufficient to defeat Turney, democrat, for governor. There is no definite

news from congressional districts.
Indications at 10 o'clock are that Brown, republican, has defeated Snodrass, g democrat, for congress in the Third district. At democratic headquarters it is admitted the race for governor in this state is unpleas-antly close for Turney, democrat. Democrats Concede the State, but Hope Save Four Congressmen. INDIANAPOLIS: Nov. 6 .- Full returns from any one congressional district have not been received here. Indications point to an overwhelming republican triumph in the state. The republican state committee claims majority. It will be impossible to obtain Owena' election by from 30,000 to 50,000 majority over his epponent, Myers, for secretary of state, thirteen congressmen and both branches of the legislature. ST. LOUIS, Nov. 6 .- At this hour (9 o'clock) t is generally conceded that the entire democratic state ticket is elected by safe pluralities. Sam B. Returns Slow Coming in, but Republicans

Claim Neison's Election. ST. PAUL, Nov. 6.-The polls closed at 7 o'clock, and figures are slowly coming in, only a few scattering reports having been received up to 9 o'clock. There has been a great failing off in the democratic vote and ; has gain, by both the republicans and populists, the latter gaining the most, however. The republicans would still win if they hold their own, as the other parties did not entirely join together. Therefore it seems that Governor Neison, republican, is elected by an increase over his plurality of 14,000 of two years are.
